## The story

1957: Søren Odgaard sells his materials store in Vejle. The Isabella tent company is established. It is primarily a rental business.

1959: He sets up an actual production and the Capri villa tent is born.

1961: A new head office is built at Nørremarken in Vejle.

1964: The first awning goes into production.

1967: Søren invents a measurement system for awnings.

1971: Headquarters is expanded.

1975: Isabella invents new tents with acrylic fabric and polyester-coated roofs. Isabella enters the UK. Tents in the special beige 'Isabella colour' are launched.
